

REWARD

For the return and successful prosecution of the low life scum bag who stole a pair of custom boots from the Trail Town Custom Leather Shop in Saint Jo, Texas, on 30 July, 2007 at approximately 10:00am.

The boots, depicted below, have hand tooled tops with four separate western scenes, tooled heels and soles. The bottoms are green, full quill ostrich. A bootmaker's cartouche (an oval with the words "CT CHAPPELL, SAINT JO TX") located just forward of the side seam. The inside top of the boot also has Carl's signature.

The varmint was a white male, approximately five feet, ten inches in height, middle to late 20's, dark short cropped hair and hazel eyes. The filthy thief wore a gray T-shirt, blue jeans and tennis shoes. The cretin drove a white, unknown year, Chevrolet crew cab pickup truck with Texas plates. He was last seen driving south from Saint Jo toward Forestburg.

Anyone wanting to claim the reward should contact John Glaze at Trail Town Custom Leather, 940-995-2600. Anyone wanting to turn this piece of trash in should contact the Saint Jo PD at 940-995-2337. **THE REWARD IS SUBSTANTIAL AND IS PAYABLE IN CASH UPON RETURN OF THE BOOTS AND THE APPREHENSION OF THE "SUSPECT."**
